RJ's last day was January 21<sup>st</sup>.

Completed FEMA paperwork for all work done in 2021.

Received \$30,000 from FEMA for payment to Insinger for the retaining wall for the cemetary in the Forks.

Got quote for taking down cinder shed. Block pricing new are \$95 per 6', \$85 for 3" and \$105 per corner. We have approximately 100 blocks.

Got hold of CAT. We not signed up for my.Cat.com. We thought we were and should have been alerted for electrical problems before it completely melted down the fuse panel. We put a hold on the bill for \$3626.25 until we found out. Mark asked to hold the bill.

Filed FEMA paperwork for \$497,000 on November 21, 2021 and still have not heard anything. Believe we will but is has been a longer time than normal.

ARP monies we can spend on most anything we pay for out of the general fund. I suggest that we put it toward the cinder shed. We received approximately \$42,000 last year and \$42,000 this coming June.
